

**AGARWAL STEEL
CORPORATION**

Since 1987

Agarwal Steel Corporation was started by Mr. Vishnu Agarwal in the year 1987 with a view to provide quality product & service to industrial projects in India. Our firm is engaged in trading of Iron & Steel products. From a very humble beginning Agarwal Steel Corporation is now serving over 100 clients all over India in Sugar, Textile, Engineering & many more Industries. With branches at Mumbai (Maharashtra), Chattisgarh & Silvassa we have covered a wide geography. As far as taxation is concerned we have been thoroughly remained competitive.

We at Agarwal Steel Corporation believe quality services and lowest lead time are the key for customer satisfaction. To serve our clients as per their requirement of structural steel, we have strong dealer base all over India to provide manufacturing facilities in multiple states of India. Our strong dealer network and tie ups with steel manufacturers makes us capable to pull large orders for projects.

Our Team

Mr. Vishnu Agarwal

carries a strong experience of more than 27 years in Trading of Iron & Steel products. With his recent venture into manufacturing of steel billets at Silvassa, he has ensured he has an edge over his competitors in the industry.

His expertise lies in understanding the clients requirement and giving them tailored solutions in supply to suit their needs. His ,Customer first approach has gained him happy clients and a long lasting relationships with his clients.

Mr. Ayush Agarwal

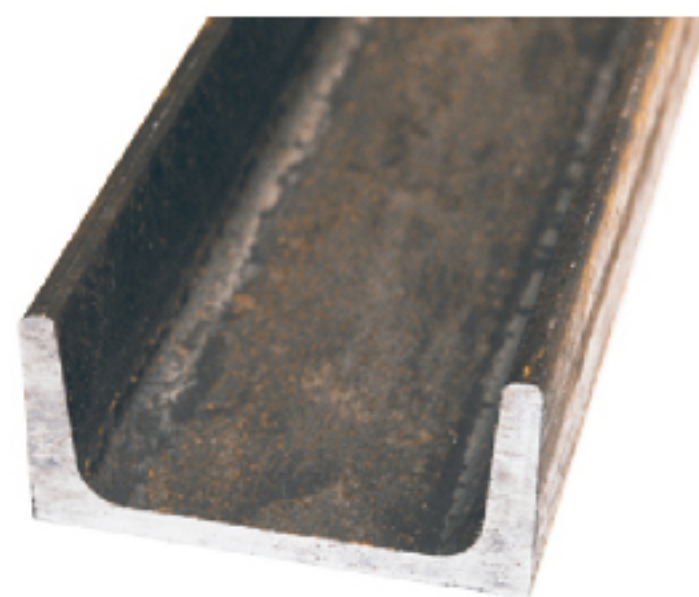

has joined his family business after completing his post graduation in Management Studies in field of Finance and a stint at Special Situation Advisors Pvt Ltd, a consulting firm focused on advising banks to resolve & reduce their Non Performing Assets . He brings knowledge of finance & operations which has helped the firm reduce Purchase Order to Dispatch lead time. His dynamic attitude has helped the firm to acquire new clients which has helped in growing our top line as well as the bottom line.

- Sister concern M/s Ganpati Alloys is engaged in manufacturing of M. S. Billets (Raw material used for manufacturing M.S. TMT Bar, M.S. Angles, Channels. etc).

Agarwal Steel Advantage

1. Professional approach: Our approach towards work make sure that we are in constant communication with our clients, right from intimating them about dispatch or delay at the time of taking orders.

2. Conveying tentative delivery & dispatch details: It is important for clients to know when the goods are reaching at their place so that they can make appropriate arrangements for unloading, we make sure they are always in loop by way of Email & SMS.

3. Cost advantage: We have our clients in 11 states and delivery capability to serve locations all across the country. Also we are connected to as many as 11 hubs in India which enables us to procure the required quality at the best available prices.

4. Free replacement: In case of difference in quality, we offer free replacement to our clients all over India / cost reimbursement in case replacement is not possible.

5. No false commitments: Unlike other suppliers we never over commit and deliver less, we at Agarwal Steel make it a point to commit only what we can deliver.

6. Competent Team: Qualified team of accounting & consultants on billing and taxation enable us to scrap the scope of error while filing VAT returns. Our clients are happy to deal with us because of our ,0,, tolerance of error while filing our VAT returns. We have an exceptional track record of 0 cases in filing wrong VAT returns in last 10 years.
